Dear Clerk,

As I am unsure as to what to say in regards to the motion I received - I would guess it was granted? However, I do not see the fairness in this. The respondents were given ample time to answer the petition. I see this as a stall for time because the state is truly unprepared. They have taken no time at all to look at ~~or~~ review this petition.

As I had stated, I did the filing and preparing of all my documents because it was important to me and I was on a schedule. I would hate to think the respondents follow no schedule. In the least I do not favor this motion. It was filed 46 days later. If they need time - one would think it would of been asked for before 46 or 47 days passed. As I said, I not sure if I'm supposed to give a response to the motion but, if so - I would not approve of it. However, its not up to me so - please keep me informed. I thank the court for its time.
